

GRAYS HARBOR RACEWAY

2022 Modified Track Rules and Procedures

RULE BOOK DISCLAIMER

The rules and/or regulations set forth herein are designed to provide the orderly conduct of racing events and to establish minimum acceptance requirements for such auto racing events. These rules shall govern the condition of all events, and by participating in these events, all participants are deemed to have complied with these rules.

NO EXPRESS OR IMPLIED WARRANTY OR SAFETY SHALL RESULT FROM PUBLICATION OF, OR COMPLIANCE WITH THESE RULES AND/OR REGULATIONS.

These rules and regulations are intended as a guide for the conduct of auto racing at Grays Harbor Raceway (GHR) Events and are no way a guarantee against injury, or death to a participant, spectator, officials or others. The Race Director and/or Technical Director shall be empowered to permit minor deviation from any of the specifications or rules herein, or impose any further restrictions that, in their opinion, do not alter the minimum acceptable requirements.

NO EXPRESS OR IMPLIED WARRANTY OR SAFETY SHALL RESULT FROM SUCH ALTERATION OF THESE SPECIFICATIONS OR RULES.

Any interpretation of, or deviation from these specifications or rules is left to the discretion of the Race Director, **Race Manager** and/or Technical Officials. Their decision is final.

Minor drivers and their parents are responsible to read and understand the rules and regulations set forth in this rule book.

COMPETITOR OBLIGATION

Any driver entering any racing event is considered to have inspected the track and determined that all conditions are satisfactory. If the driver does not feel that conditions are satisfactory, then the driver should not race. The driver further acknowledges that he is aware that auto racing involves risks and that by competing in that event the driver assumes these risks with full awareness and knowledge.

ALL RULES ARE SUBJECT TO THE INTERPRETATION OF THE TRACK MANAGEMENT AND OFFICIALS, ANY EQUIPMENT THAT IS CONSIDER EXOTIC OR NOT IN THE SPIRIT AND INTENT OF THE RULES WILL BE CONSIDERED ILLEGAL FOR COMPETITION. *IN THE INTEREST OF FAIRNESS THE RULES MAY BE ADJUSTED TO CREATE A BALANCE IN COMPETITION.*

The spirit and intent of the rules is the standard by which all GHR track events will be governed. GHR Track Tech officials are authorized to decide if an equipment change, or modification is an attempt to circumvent these rules. GHR Track officials can and will disqualify a race car in violation of the spirit or intent of these rules. If this rule book does not specifically state that you can alter, change or otherwise modify something on your car, you should consider it a violation of these rules. No part is deemed to have been approved by GHR track officials by passing through prior technical inspections. SPIRIT OF THE RULE. Spirit of the rule means very simply, the intent of every rule and classifications. Additional adjustments, alterations, modifications, and/or replacements not covered by written rules should NOT be assumed to be legal under the SPIRIT OF THE RULE.

GENERAL INFORMATION

The Owner / Driver of each car represents to the Promoter and all others, that his car has satisfied

all applicable rules, including but not limited to safety rules, whenever such Driver participated in any warm-up, practice or competitive laps. The Owner /Driver of each car is also completely responsible for ALL actions of Crew Members, Sponsors, or all else **associated with their team**. If you have any complaints, disputes, problems, or questions, only the Driver and/or Car Owner, or a designated team representative may approach and Official, in a civil manner to resolve the situation.

All participants are expected to take pride in being part of Grays Harbor Raceway's weekly program. Auto racing entertainment is what we have to offer and we will not tolerate the lack of professional attitude, conduct or appearance of car, driver crew or others involved.

Any prohibited or illegal part found may become the property of Grays Harbor Raceway.

Burden of proof for all construction, safety and legality rules will be the responsibility of the driver and/or car owner.

These rules are a guidelines. Contact the Race Director / Technical Officials for questions about your racecar.

These rules are intended to create an inexpensive class of racing that is equally competitive and affordable for all participants with Grays Harbor Raceway.

Rules may be subject to change at any time in order to ensure a safe competitive level of competition.

FLAGS

1. ORIGINAL START: You must take the original Green Flag at the start of the main event in order to compete in that main event. If you come out once the race has started, you will be **disqualified**. Exception: Any qualified car that did not start at the original start of the event and was not replaced by an alternate car may join the event at the rear on the next race stoppage, provided the event has not exceeded 20% of said event at the discretion of the Race Director.

2. On the original start of any race, Drivers must stay double file nose to tail and may not pass until you cross the chalk line in turn four. If you pass before the chalk line, you will be penalized two positions at the next race stoppage or at the end of the race. There will be a white line in turn 4 to indicate where the race is started. Drivers on the front row of any race that deliberately jump a start may be put back a row.

3. On any start of a race, if a car drops out, the row will move up, **no criss crossing**.

4. RE-STARTS: All restarts will be double file behind the leader, the leader will set the pace. No passing until you pass the chalk line in turn four. If there are two (2) false restarts the Race Director may choose to go to a single file restart with a cone, at the discretion of the Race Director. If you pass before the chalk line, or the cone if single file restart or hit the cone, you will be penalized two positions at the next race stoppage or at the end of the race.

5. GREEN FLAG: On any start or re-start, you will always receive the green. If the Race **Manager** does not like the start, it will be yellow flagged and re-start the race. Drivers on the front row of any race that jump deliberately may be put back a row on the restart. at the discretion of the Race Director You must remain side by side until you pass the chalk line in turn four.

6. WHITE FLAG: The White flag indicates one lap remaining in the event. Should the race be stopped on the last lap, the re-start will consist of two (2) laps, a green flag, white and a checked.

7. BLACK and WHITE CHECKERED FLAG: A Checkered Flag will indicate the end of the event. If the leader receives the Checkered Flag and crosses the finish line the race will be scored complete. Cars crossing the finish line before the race stoppage will be scored accordingly, the remaining cars will be scored as they completed the previous lap. Cars involved in the stoppage will be scored last on their respective lap.

8. YELLOW FLAG: A yellow flag condition is considered a race stoppage. Cars will slow to a pre-race speed and maintain a single file line. Cars out of position will be advised by track officials **and/or over the Raceceiver frequency** where to line up.

8.1 If a **Pace Truck** is on the track, **no cars are allowed to pass it** without permission. Violators will be sent to the rear of the field or disqualified.

8.2 Cars entering the work area during a yellow flag condition, that complete the work before the race is ready to resume will be allowed to restart at the rear of the lineup. Lineup will be the order in which they return to the track.

8.3 Cars involved in the race stoppage that go to the work area will be given the time it takes the pace truck to complete two laps past the flagman to make repairs. The laps begin when the last car involved arrives in the work area. Lineup will be the order in which they return to the track.

Cars not involved in the race stoppage that go to the work area will not get a two lap work

period. The race will resume when the lineup is correct. Any driver causing two yellow flags will be disqualified for that event.

9. RED FLAG: Cars must come to a complete, safe stop. Drivers are not allowed **to move** their car off the track on a red flag. Drivers may exit the track, only by permission of an Official or when the track goes to a yellow condition. Failure to abide by this rule will result in a disqualification. On an **“Open Red”**, the crew may work on the car on the track. If a tire change is required, the car must go to the work area.

10. BLACK FLAG: Drivers receiving a black flag will leave the track immediately, failure you to do so will result in disqualification from that event.

11. Blue Flag with a Yellow Stripe: If a driver receives a blue flag with a yellow stripe. It means hold your grove leaders are coming up upon you.

RACE PROCEDURES AND LINEUPS

Race Procedures and Lineups will follow IMCA Procedures posted at IMCA.com

With the exceptions listed here. In the event there is a conflict between IMCA and Grays Harbor Raceway Rules and Procedures. Grays Harbor Raceway rules and procedures shall prevail.

1. MAIN EVENT: Twenty (25) laps. A maximum of **eighteen (18)** cars will start the A-Main. **Straight up by heat race finish before inversion is applied. Promoters option to add cars.**

2. Cars that enter the work area with 5 laps or less remaining in the race (event) will not be given 2 lap wait period for repairs. When the lineup is correct the race will resume.

3. Lapped cars will be put in running order behind the lead lap cars when 5 laps or less remain.

4. On Mid-season the format will be a regular event format.

5. Championship night the top six (6) in car owner points will be locked into the ‘A’ main. They will line straight up by points, they will race a six lap scramble race. The finish determines the starting lineup for the main. All other cars will draw a pill and start straight up behind the top six. If a "B" main is necessary, there will be heat races to determine the main event line up. Top 3 in the heats to the "A" main. "B" main lined straight up by heat finish's.

6. Cars that enter the work area with 5 laps or less remaining in the race will not be given the 2 lap wait period for repairs. When the lineup is correct the race will resume.

6.1 Lapped cars will be put in running order behind the lead lap cars when 5 laps or less remain.

7. Switching car number and driver not permitted.

8. Each driver can enter only one car. No driver will be permitted to change cars after taking the green flag of his/her heat. An exception to this rule will be a two day race.

9. Race format and/or changes will be presented at the drivers meeting.

10. The lineup posted on the pit board shall be final. In the event of a car dropping out, the row will move straight forward.

11. The start will be official with the green flag. No passing the pace vehicle without permission. Violators will be sent to the rear of the field or the pit area.

12. A white line or Cone will be placed on the turn 4 area for all double file starts. A cone will be placed on the front stretch for single file restarts. All cars must remain in proper order until they pass the chalk line or cone. If the front row car or cars are out of position a yellow may be displayed, and a warning given to offender. Any further violation will result in the offender being placed a row back. Any other car not in proper position, in the Officials judgment, may be penalized a minimum of 2 positions for each position gained. This penalty will be imposed on the next race stoppage. If there is no race stoppage the penalty will be enforced at end of race.

13. Top three to tech in heats and mains.

POINTS SYSTEM

Grays Harbor Raceway will follow IMCA point format. Refer to IMCA.com

Decisions of Grays Harbor Raceway Management and/or Officials are final and binding without exception.

Any part or equipment found during an inspection or any other time that does not meet applicable IMCA and Grays Harbor Raceway standards may be confiscated by GHR Tech Officials for further evaluation. Failing to not forfeit the part or parts may result in a fine, and/or loss of points and/or suspension.

Grays Harbor Raceway Officials reserve the right to make final decisions in the interpretation of any rules or race procedures at any time.

No equipment will be considered as having been approved by reason of passing through inspection, GHR Officials recommend that you carefully study the Grays Harbor Raceway rulebook in order to be familiar with all aspects of the rules, safety and racing. Follow the manufactures recommendations on all parts, safety components and gear.

If you are considering a part, modification or procedure not covered in these rules, contact Grays Harbor Raceway management before proceeding with any purchases or modifications.

If you have any questions regarding the rules set forth, contact the Grays Harbor Raceway management.

In keeping with Grays Harbor Raceway's commitment to maintaining proper balance in the competition arena, it may be necessary for Grays Harbor Raceway to make rule changes and/or rule modifications from time to time. Such changes are designed to enhance close competition.

EIRI: (Except in rare instances) Decisions of Track/Circle Motion Promotions, LLC's Officials are final and binding without exception. In some cases, track safety rules and procedures may take precedence over IMCA rules - any discrepancy between IMCA and track rules should be brought to the attention of Circle Motion Promotions, LLC management for clarification on the procedure followed. Any rule changes or clarifications of these Track Rules and Procedures during the course of the year will be amended at Grays Harbor Raceway website.
